**Issues in Ethics: Essential Information for Speech-Language Pathologists**  
(3 CE HOURS)

**PDH Academy Course #1801**

**Course Abstract**

The topic of ethics in the field of speech-language pathology is a pervasive and sometimes challenging one, applicable to all professionals, practice settings, and types of clients. This course provides a brief review of ethics in general and the American Speech-Language-Hearing Association (ASHA) Code of Ethics (2016) specifically. Ethical issues and applicable principles specific to health care, private practice, and school-based services, in addition to several areas of practice are discussed. The course culminates with case studies depicting potential ethical violations.

*NOTE: Links provided within the course material are for informational purposes only. No endorsement of processes or products is intended or implied.*

PDH Academy is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This course is offered for .3 ASHA CEUs (Introductory level, Professional area).

**Learning Objectives**

By the end of this course, learners will be able to:

Identify key concepts, principles, and strategies pertaining to ethics and ethical decision-making
